Minutes

Commissioner Curtis moved to approve the minutes of the November 19, 2014 Redevelopment Commission meeting. Commissioner Miller-Wilson seconded. The minutes were approved as written 5-0.

Project Updates

Public Works Director Dave Buck updated the Commission on the following projects:

- Happy Hollow Road Project – Copies of the formal Notice to Proceed between INDOT and Rieth Riley have been received. A preconstruction meeting has yet to be scheduled since the project is expected to begin in early April. The contractor and the City are reviewing the traffic plan to speed up construction time.
- Cumberland Avenue Ph. III Project – Traffic was switched on to the new pavement and all side streets and driveways were connected by December 5th. Currently the focus has been on utility relocation and storm sewer installation due to favorable weather conditions. Work will most likely slow down due to temperatures and resume in April 2015.
- Cattail Trail Extension Project – Milestone was able to continue working on grading operations and retaining wall construction. The project will be winterized with site stabilization this week and resume next spring.
- Northwestern Avenue Safety Improvements Phase III – Work is complete. Traffic data is being collected and reviewed to improve signal timings through the project.
- Lindberg Road Project – Proposals have been reviewed and DLZ, Indiana, LLC was selected as the top ranked firm. An agreement is on today's agenda to begin the survey and preliminary engineering phase. The project is for Lindberg Road between Northwestern Avenue and Salisbury Street.

Parks Superintendent Janet Fawley updated the Commission on the following project:

- Garden Street Right-of-Way Improvements Project – Work has continued. Park benches have been installed, concrete work has been completed. Fencing and landscaping will be completed in spring 2015.
- Happy Hollow Raving Footpath Repair Project – Project is moving along. Decking should be installed on the bridge by the end of this week. Simon Construction will continue working on the project as long as the weather permits.
- 2014 Fire Truck –Fire Chief Heath attended a preconstruction meeting with KME last month and finalized details of the truck. Construction of the vehicle will begin soon.
